## RELAY FOR LIFE June 17 – 18, 2011 6:00 pm – 10:00 am Hall-Dale High School

**Why Relay?** Everyone's reason to Relay is as unique as their own personal story. At Relay, you can find healing, comfort, and support from others who have faced cancer or who have lost a loved one to the disease. You have a chance to meet people in the community who are equally as passionate about finding an end to cancer in our lifetime.

No matter why you take part in Relay, however, one thing is clear: with every step you take, you help the American Cancer Society save lives. Each person who shares the Relay experience can take pride in knowing that they are working to create a world where this disease will no longer threaten the lives of our loved ones or claim another year of anyone's life.
