2011 REGIONAL SPEAK OUT

*Congratulations to **Nathan Burns** of Erskine Academy, who received **Second Place** at the Regional competition held April 13th.*

See Lion Lynda Despard to find out how you can help make this fundraiser our most successful yet!

Join the Team!

Relay For Life is an overnight event that joins communities in the fight against cancer. It is a way to celebrate cancer survivors, remember loved ones, and fight back against a disease that takes so much from so many.

Our Club raises money for the American Cancer Society, and then our Team, "Cats In Hats" joins together at the Hall-Dale track, taking turns walking overnight. We set up a campsite and enjoy entertainment, activities, and special ceremonies throughout the night.

Join us to see what Relay For Life is all about. FMI contact Lion Joann Austin.
